ELIGIBILITY:
Elementary school educators who teach science in the Cape Fear Audubon region (Brunswick, Pender, Onslow and New Hanover Counties).

TO APPLY:
1. Write a short Bio introducing yourself. Please include your name, contact information, where you are currently teaching, the number of years you have taught, what grade/grades you teach and any additional educational information important as to why you should be chosen as the recipient of the 2022 CFA scholarship.

2. Describe your innovative approach to teaching the love of science to your students. Include those projects which you are presently using or have in the past that have been successful in instilling the love of science. Share your thoughts on how attending Hog Island Audubon summer camp will help you further achieve this goal.

3. A ZOOM or telephone interview may be required.

4. The 2022 scholarship awardee agrees at a future date that they will prepare and present a 10 minute presentation to CFA members on their camp experiences and how they will incorporate what was learned in their classroom

March 7, 2022: Application requirements must be completed/sent by email and received to: Cnesbit716@gmail.com
March 15, 2022: The scholarship awardee will be notified.
